Exclusive Interview With Tom Caltabiano, Director Of 95 Miles To Go

Posted in: [Podcasts](#) by Gino Sassani on May 21st, 2012

On Friday I had a chance to chat with Tom Caltabiano. If you're a fan of the hit series Everybody Loves Raymond or the stand-up of the show's star Ray Romano, you should already know who Tom is. He's been Ray's buddy, touring partner, show writer and opening act since 1991. His intimate documentary of one of those tours is the subject of the new recently released 95 Miles To Go on DVD. Tom talks about the release and his time with Ray on the road.
