An Evening With Andy Williams – Live At The Royal Albert Hall (RPM Films DVD)

Picture: C- Sound: C+

Back in the 1930s, Andy Williams was singing in a family vocal act with his brothers. After some singing partners and collaborations, he went solo in the early 1950s and stayed that way on a phenomenal roll of hit albums and singles afterwards. He was also an act with more big hit albums than singles! **An Evening With Andy Williams – Live At The Royal Albert Hall** was recorded in 1978 and by this time, Williams had become a legacy act and was being touted as the mentor of The Osmonds.

This DVD has the entire concert with interview inserts from the time and it runs nearly 100 minutes when all is said and done. The best known songs include *I Can't Smile Without You*, *Breaking Up Is Hard To Do*, *Just The Way You Are*, *Macarthur Park*, *Charade*, *Can't Get Use To Losing You*, *Born Free* and a **West Side Story** medley. Needless to say he does them so middle-of-the-road that you soon feel like you'll be road kill. He has fared better before and just seems somewhat bored at this point.

The 1.33 X 1 image is awful, with digititis throughout and down so many generations that color is lame. The PCM 2.0 16/48 Stereo is barely that. There are no extras.
