CHROME & HELIOS CREED - DUAL FORCES:

The Rolling Stones - Under Review 1962-1966 is a 90 minute film reviewing the music and career of one of rock music's true giants during their formative years. The Stones are unquestionably one of the most influential bands the world has ever known; this film acknowledges and reinforces this fact while revealing insight anecdote and opinion not previously considered. Features include rare musical performances, many never before available on DVD, obscure footage, rare interviews and private photographs of and with band members, live and studio recordings of Stones classics including, Satisfaction, The Last Time, Not Fade Away, Little Red Rooster, Come On, and many others.

This DVD features 2 artists: Chrome and Helios Creed. It contains three classic Chrome videos produced between 1980 and 1983: "New Age", "Meet You in the Subway", and "Danger Zone". Also included is the never released video for "Firebomb" and live footage from the 1998 Chrome tour. The Helios Creed videos featured are "The Rant" and "Your Spaceman" originally produced for Amphetamine Reptile Records. There is also live footage from the Deep Blue Love Vacuum tour in 2006. As a bonus, the program "A Timeline" has been included. It spans thirty years, covering the discography and history of Chrome and Helios Creed.

H2O - ONE LIFE, ONE CHANCE::: This DVD contains the complete live performance from H2O's historic 10 year Anniversary show at NYC's Knitting Factory! Also included is the original longform home

ANATHEMA - A MOMENT IN TIME ::: This DVD features a fantastic performance at Metalmunia Festival in March 2006. The band brilliantly performs their "The best of" setlist, as well as the Pink Floyd cover "Comfortably Numb". Also featured is a guest
