## **Radiohead *OK Computer: A Classic Album Under Review* (MVD/Sexy Intellectual) 3 ½ ribs-pablo-honey-baked**

Everything you've ever or never wanted to know about Radiohead's *OK Computer* is revealed in this 53-minute documentary. Featuring various folks with British lilt, the documentary goes into great detail about the hows and whys behind the band's most notable release. It also clips of live performances, snippets of videos and "The Hardest Interactive Radiohead Quiz Ever." Not for the fair-weather Radiohead fan.
