## Fox gets teen-friendly with *Juno*

Coming to DVD in April are two Fox theatrical releases that should spark the interest of teens. **Juno** stars Ellen Page, who was nominated for an Oscar for her role as a quick-witted pregnant teenager. The film also was nominated for Best Picture, Best Director for Jason Reitman and Best Original Screenplay for Diablo Cody, who went on to win the statuette. The release comes with Fox's digital copy, which allows viewers to transfer a digital version of the film to a computer and then portable video device such as an iPod. *Juno* also will be the first Fox DVD sold at Starbucks. Fox will follow the release two weeks later with *27 Dresses* starring Katherine Heigl. And for TV, the eighth season of *That '70s Show* will be released. **VB** —C.S.
