Hi all... When I went to college in the late 1980s, I was introduced to the music Depeche Mode (DM). There was a guy on my dorm floor who listened to DM 24-7 at an earth-shaking volume. I didn't immediately take to their music. But after a couple of years, Violator was released and somehow the world changed. Violator connected with some dark part of my being I didn't really know I had up to that point. Violator was the beginning of my love for DM. Though the media went crazy for “
