# 1 DVD Review: Depeche Mode - The Dark Progression (flag)

Votes

writer.fitzhome.com — Hi all... When I went to college in the late 1980s, I was introduced to the music Depeche Mode (DM). There was a guy on my dorm floor who listened to DM 24-7 at an earth-shaking volume. I didn't immediately take to their music. But after a couple of years, Violator was released ...
