Frank Zappa, The Freak-Out List

Barry Cleveland

STORY TOOLBAR ▶

- print
- ShareThis
- rss

Zappa included a list of 179 influences on his 1966 debut—from Schoenberg and Varèse to doo-woppers and Johnny “Guitar” Watson to Eric Dolphy and Miles—many of which are here linked to his aesthetic via various Zappa biographers, former Mothers, and music historians, with copious quantities of photos, audio, and video bolstering their perspectives. **MVD.**
