Excited, I pulled it out and saw Muse: Under Review. I promptly bought it and I'm watching it now, it's this big documentary about them from Showbiz to now, the Resistance era. It's pretty cool, but I didn't know if anyone else knew about it.</p> <hr/> <p>9-23-09: U2 + Muse At Giants Stadium 3-5-10: Muse At Madison Square Garden</p> <p>Check out GlenMuse795s Youtube, new Muse covers soon!</p>
