## Giveaway – Eric Clapton DVD – 2 Winners – Ends 9/21/10

September 8, 2010

[Eric Clapton The 1960's Review](#)

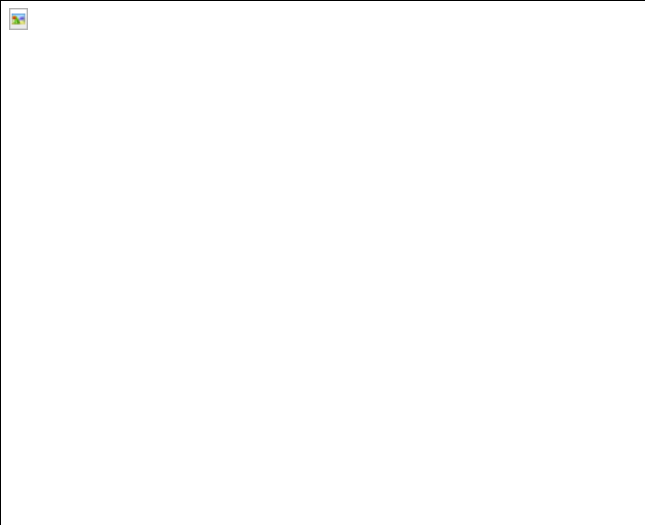

MVD Entertainment  
120 Minutes  
Street Date – 9/21/10

**Description:** *While few would argue that Eric Clapton is one of the finest guitarists of all time, it is often forgotten just how pivotal, influential and downright startling this man was during the 1960s. And while, throughout the 70s, 80s, 90s and 00s, Clapton has remained a musician and songwriter of rare ability, it was during the decade in which he emerged that his awesome skills were used most creatively. As an early member of the Yardbirds, a crucial part of the Bluesbreakers, a founder member of Cream and 'the one who mattered most' in the short lived Blind Faith, EC, to many, really was a deity. In this extraordinary film, his life and career throughout these crucial ten years is put under the microscope, and with the help of archive interviews with the man himself, exclusive contributions from friends, band mates and colleagues, rare and classic performance footage, seldom seen photographs plus a host of other features, the story in question is told in a manner it never has been before.*

Eric Clapton has amazing skills. There is no doubt that he was influential in shaping the direction of modern music. His older music and newer songs can still be heard regularly on the radio – they've got staying power.

I saw him in concert in the mid-eighties and thoroughly enjoyed the show. He played a mix of Yardbirds, Cream, Blind Faith and his solo work. They music has evolved over the years, but it all has that Clapton sound.

I've seen documentaries with some of his history, but hadn't ever seen anything as complete as this DVD. It's full of facts and insight that bring this period of music history to life. I enjoyed the original footage and the current interviews that give a more complete picture of the his early years pioneering modern music.

**HOW TO CONNECT** – You can like MVD Entertainment on [Facebook](#).

**PRIZE ALERT** - [MVD Entertainment](#) would like to give [Eric Clapton: The 1960's Review](#) DVD to \*\*\*2\*\*\* of you (ARV \$19.95)
