SACRED TRIANGLE: BOWIE, IGGY & LOU 1971-1973 Documentary about David Bowie, Iggy Pop, Lou Reed;

www.mvdb2b.com/
By 1971 David Bowie was branded a one-hit-wonder, Lou Reed was considered washed up following a disastrous debut and Iggy Pop was seen

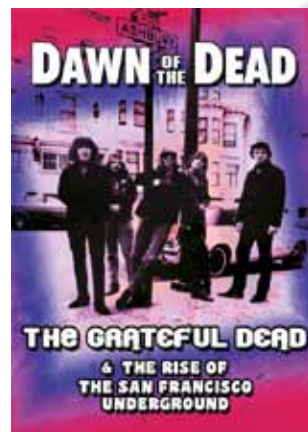

as merely a drug crazed ex-Stooge. But a meeting of minds in that year's closing months was the catalyst for an extraordinary turnaround for these three musical geniuses, resulting in the most dramatic shift of musical style since the dawn of the rock age. This fascinating film investigates the era in which these brilliant personalities worked most closely together.

DAWN OF THE DEAD: THE GRATEFUL DEAD & THE RISE OF THE SAN FRANCISCO UNDERGROUND

www.mvdb2b.com/

In the mid-1960s a new twist on contemporary rock music emerged out of San Francisco. Known as 'psychedelia', it was pioneered by a close-knit community of local bands who merged traditional American musical forms with new sounds often developed under the influence of psychedelic drugs. Bound up with the social and cultural changes of the era, it was a combination that made for a radical re-imagining of youth culture. This film traces the movements, events and sounds of those heady days, and traces the story of the definitive band of the psychedelic age, The Grateful Dead.
