(<http://rockandrollreport.com/wp-content/uploads/2011/07/NeilYoungDVD.jpg>) Although it's already spent a good two years here in the ol' sty, I'm hardly surprised to find I'm *still* discovering, hearing, and even seeing fresh goodies galore buried within that great big *Neil Young Archives* box of mine. But, seeing as yet another O Canada Day is now upon us, I sought to find another way to commemorate the greatest living Canucklehead this side of Dr. Stompin' Tom Connors.

Now, while some may take offense a mere three-minutes-twelve into the show at the comment Toronto, Canada is, and I quote, "a city not noted for its musical invention" (plus, if you look *real* close, note photos of Buddy Holly and Sonny & Cher appearing later are actually of *impersonators*, NOT the
