

ROLLING STONES DOCUMENTARY FOCUSES ON THE RONNIE WOOD YEARS PART 1

The plethora of **Rolling Stones** material being released in conjunction with the band's 50th anniversary continues with the November 20 DVD release of *Under Review 1975-1983: The Ronnie Wood Years Part 1*. As its title implies, the documentary spotlights the arrival of the former **Faces** guitarist and his impact on the Greatest Rock and Roll Band in the World, using archive and exclusive interviews, plus rare and classic footage to tell the tale.
