One of the brightest comics working it out there is Uproar Entertainment's Andrew Norelli, who works the late night circuit, top [comedy clubs](#) and has a new CD out titled, "Cut Above Stupid."

Andrew has appeared on The Late Late Show with Craig Ferguson, Comedy Central's Live at Gotham, Comedy.TV, Entertainment Studios with Byron Allen, and Comics Unleashed where he was also a staff joke writer.

International performances have included The Montreal [Comedy Festival](#), and The Comedy Store and Laugh Garage in Sydney, Australia.

Norelli works clean and sharp, audience friendly, and in his new CD he delivers excellent performances with his clever observations and commentary on daily life. A comic for the family (except the younger kids) to enjoy, and he is really funny.

Norelli pokes a big stick at the "rules" when visiting an Apple store. He notes his admiration for Lady Gaga, her act only edgy to him if she were attempting to be a real estate agent. [MP3LINKS](#)
