IO STO BENE
(I Am Fine)
(DVD) IndiePix

Past and present collide in modern-day Luxembourg, in this poignant drama of shared immigrant experiences. Antonio (Renato Carpentieri) has spent nearly his entire life in Luxembourg, far removed from his Italian homeland. Now an aging widower, he lives a solitary existence until crossing paths with Leo (Sara Serraiocco), a fellow ex-pat and aspiring nightclub VJ. Past and present collide as the old man and young woman discover the similar destinies they both share abroad. Donato Rotunno's Io Sto Bene is a moving look at immigrant experiences, which was Luxembourg's Official Entry for Best International Feature at the 94th Academy Awards. Rotunno stated: "This film is the continuation of the work I initiated with the documentary, Terra Mia, Terra Nostra, this time with the desire to move away from my personal history. But above all, it was necessary to find a contemporary approach to the subject, a link between the historical migrations of the 1950s and 1960, and the new departures that the southern European countries have been facing in recent years. It's a perpetual renewal, with many similarities and differences. I wanted to tell the story of generations meeting each other, with each one carrying their own baggage."

THE NIGHT OF THE 12TH
(DVD) Film Movement

In nearly every police precinct, detectives are inevitably confronted with a case that goes unsolved. The more heinous the crime, the more it haunts those whose duty it is to solve it. Such is the dilemma for Yohan Vivés—a young, recently promoted police Captain—when he begins investigating the gruesome murder of a young woman named Clara in the town of Grenoble. It's clear that the attack was pre-meditated, and the violent nature of the crime suggests revenge. Vivés' team methodically digs through the details of Clara's life, uncovering her secrets in hopes of weeding out the killer. Certain their suspect is a scorned ex-lover, Vivés is confronted with another, more complicated question: which one? Based on a true crime book by Pauline Guéna, The Night of the 12th is a gritty mystery with superb performances, and in the process poses uneasy questions about the male-dominated world of law enforcement, and their ability to handle the violent crimes routinely perpetrated against women victims.

THE LAST BLOOD
(Blu-ray) 88 Films

Andy Lau is out for blood... literally. Terrorists have shot two people; their target was a high-ranking Tibetan religious leader, but they also wounded the girlfriend of Bee. Since both victims share the same ultra rare blood group, Bee joins the cops in an attempt to find, and then protect a blood donor, but those terrorists haven't finished yet! The Last Blood is a gameplay movie that only Hong Kong filmmakers could produce, and is a full-tilt tribute to the heroic bloodshed of John Woo. Shot on stunning Singapore locations, 'The Last Blood' also features former Kung Fu icon Leung Kar-yun. From Hong Kong hitmaker Wong Jing comes a fast-paced action thriller showcasing three of the genre's brightest stars. A pioneering mix of Buddhists and bullet!
