Get Down, Get Dirty, Get Dead -

with Richard Griffith's homage to 70s sex and horror!

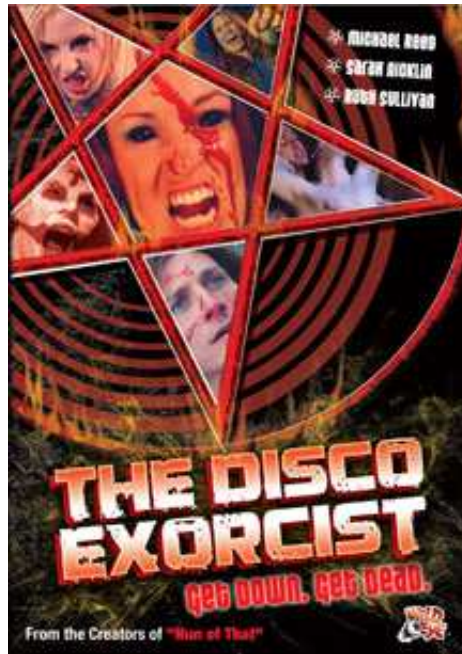

"Smart funny and thoroughly steeped in the 70s exploitation tradition...

with a generous amount of sleaze."

- *FANGORIA*, DVD of the Month

"A brutal, blasphemous horror sex comedy...a howl from start to finish."

-*TWITCH FILM*

One of the most talked about horror movies of the year!

From the makers of the cult hit "Nun of That" comes this irreverent blood, boobs and bellbottom-soaked tribute to seventies exploitation sleaze featuring supernatural sex, disco dancing deaths, roller skating sinners – and beautiful women possessed and perverted by evil.

Rex Romanski is a 1970s disco swinger who loves and leaves the wrong woman – the wicked black magic priestess Rita Maria. And now it's up to Rex to undo the scorned Rita's rampage of revenge, murder and destruction before she claims more lives, and takes over the soul of the woman he loves in this decadent and devilish decent into sexploitation!
