What is a "Petrucci Pick?"

It is, in the opinion of the quirky nationally-known media whore, something you need to watch, read, listen to, and own. Sometimes it's a place you need to visit. It's a *must*. Instant Petrucci Picks include everything Dame Shirley CD ever recorded.

This week's Petrucci's Picks (and they are several).

We love the title. And the flick.

The Disco Exorcist (Wild Eye) is brimming with irreverent blood and boobs---a bellbottom -soaked tribute to '70s exploitation sleaze featuring supernatural sex, disco dancing deaths, roller skating sinners and beautiful women possessed and perverted by evil.

Rex Romanski is a disco swinger who loves and leaves the wrong woman--the wicked black magic priestess Rita Maria. And now it's up to Rex to undo the scorned Rita's rampage of revenge, murder and destruction before she claims more lives, and takes over the soul of the woman he loves in this decadent and devilish decent into sexploitation.

Bonus materials include director's commentary, a deleted scene and trailers.

The DVD won't be unleashed until June, but here are two sneak previews. Beware!
