Studio Synopsis ~ Rex Romanski is a 1970s disco swinger who loves and leaves the wrong woman - the wicked black magic priestess Rita Maria. And now it's up to Rex to undo the scorned Rita's rampage of revenge, murder and destruction before she claims more lives, and possesses the soul of the woman he loves. A sexy, irreverent [horror](http://www.examiner.com/topic/horror) comedy - Get Down... and Get Dead!

Studio: [Wild Eye Releasing](http://www.wildeyereleasing.com/)

Running Time: 80 minutes

Rating: NR

Number of Disks: 1

### Special Features:

- Director's Commentary
- Deleted Scene
- Teaser
- Trailers

Good clean fun has a twin sister named "good campy fun" and as far as ["The Disco Exorcist"](http://www.examiner.com/topic/the-disco-exorcist/articles) is concerned, sis is all over this. Whether it's the delightfully asinine title or the equally camp tag "Get Down... and Get Dead!" exorcist pulls no punches when it comes to leaving it all out on the dance floor.

And while the film fills only a small niche of viewership kitsch with regards to mainstream appeal, anyone judging this cover will be more than chilled and thrilled with the contents. This is hokey horror and shock schlock at its powder-blue eye-shadowed best, wielding a retro [grindhouse](http://www.examiner.com/topic/grindhouse) feel with classic 70's appeal.

Any extras on a disc of this nature are always a welcome surprise, no matter what the size. And although only a director commentary, lone deleted scene, teaser and trailers are included, viewers have been given much less for much bigger titles. Griffin's commentary is especially enjoyable, as the director delves into aspects of the film's early stages and what it takes to give a film that groovy grainy style.

So if disco and demons fulfill what you're needin', then "The Disco Exorcist" is one boogie-woogie bump-in-the-night out of sight fright delight.
