Win "THE DISCO EXORCIST" on DVD!

Happy Friday, FANGORIA fiends! Why not celebrate this weekend with some disco and exorcisms? The groovy swingers over at Wild Eye Releasing have sent us a stack of special-edition DVDs of Richard Griffin's THE DISCO EXORCIST (streeting June 19) for us to send out to Fango fans.

Synopsis: "From the makers of the cult hit NUN OF THAT comes this blood, boob and bellbottom-soaked tribute to '70s exploitation sleaze. Rex Romanski is a 1970s disco swinger who loves and leaves the wrong woman—the wicked black magic priestess Rita Maria. And now it's up to Rex to undo the scorned Rita's rampage of revenge, murder and destruction before she claims more lives, and possesses the soul of the woman he loves."

Want to shake your groove thing to this flick? Send an e-mail to rebekah@fangoria.com and be sure to type "DISCO EXORCIST" in the subject line. Please include the following:

- Your name
- Your age
- Mailing address
- E-mail address
- Phone number

Good luck, and for more info on the DISCO EXORCIST DVD, check out Wild Eye's [official website](#). And if you're in the New York area, catch DISCO EXORCIST in a free, one-night-only screening next Friday, June 15 at 11 p.m. at the Cinema Village (22 East 12th Street), with director Griffin in attendance. Rex Romanski! Hahaha.
Still, gotta love a 70's grindhouse homage!
