

"THE DISCO EXORCIST"

This is a deliciously campy combo of horror and comedy, celebrating '70s sleaze. A swinger (Michael Reed) makes a big mistake when he turns his charms on a voodoo priestess (Ruth Sullivan)... and an even bigger one, when he dumps her for an aspiring porn star (the winning Sarah Nicklin). Sex, drugs and rockin' breasts abound. Under the direction of Richard Griffin ("Nun of That"), it's both a funny and disturbing exploitation pic.
