

THE DISCO EXORCIST (Wild Eye/MVD Visual): Michael Reed plays randy Rex Romanski, a '70s-era swinger who dallies and does battle with wicked witch Ruth Sullivan in director Richard Griffin's affectionately spoofy ode to grade-Z movies of yesteryear, complete with gratuitous sex, violence, drug use, fashions, hairstyles, slang and a grainy, grindhouse ambiance. Besides, any film where the disco ball starts shooting lethal lightning bolts has going for it. Reportedly, is planned.
