Chicago-based producer Area will release his first album in March on [Wave Music](#).

Area DJs on Chicago's WNUR under the name [m50](#), and started putting out records in 2004. His first full-length combines previously unreleased material with selections from his past EPs. The tracklist was chosen by two artists that have been instrumental to his career so far: Francois K, who put out the *Absence* EP on Wave Music in 2009, and Brendon Moeller, who released *Tangled In* a year later on Steadfast and made a record with Area under the name Lightness. Kevorkian also "sequenced" the album.

### Tracklist

01. Cellicos
02. Skyline Face Silhouette
03. Slow Death Ghetto
04. Lag
05. Moving Away
06. Pathll
07. Cecentric
08. Mass Conserved
09. Palindrom
10. Llpod
11. Missing A Few
12. Respons

Wave Music will release *Where I Am Now* on March 6th, 2012.

 **Label: Wave Music**
