## Robert Hunter Contributes to Forthcoming New Riders of the Purple Sage Album

New Riders Of The Purple Sage will release their first studio album in three years, *17 Pine Avenue*, on March 6. The album features the seminal group's current lineup of original members David Nelson and Buddy Cage along with Michael Falzarano, Ronnie Penque and Johnny Markowski. The follow-up to 2009's *Where I Come From*, the album features 12 new songs, seven of which were written by Nelson and Grateful Dead lyricist Robert Hunter. *17 Pine Avenue* also includes two Falzarano numbers ("Just The Way It Goes," "Truth Is Dead"), a Markowski live staple ("Down For The Ride") and a song from Penque ("Shake That Thing").
