With the recent anthology flick **V/H/S**, not quite hitting the mark for many of you, a new anthology film entitled **Death by VHS** is making its way out of the woodwork and we have a trailer for you guys to check out.

Once again, I feel a little disappointed, the trailer didn't really do much for me, but I'm going to hold out and give it the benefit of the doubt. But don't let me put you off, go check it out for yourselves and let us know what you make of it?

The film stars Tyler Gallant, Kat Garcia, L. Hotshot, David C Hayes, Victoria Paege, and Scarlet Fry.

Walter Ruether, David Sabal, and Jacob O'Neal are on directing duties.

Synopsis: "A battered and mysterious VCR...A bevy of lethal video- tapes... These are the building blocks of horror in "DEATH BY VHS".

A mind blowing descent into madness and death. Five shocking vignettes, designed to take your sanity and devour your soul!

Mild curiosity leads to severe consequences when a couple rents a supposedly cursed video cassette recorder. An urban legend renowned for leaving a trail of agonizing and torturous death. Unbelieving, they take the plunge... And another legend is horrifyingly born...

Do you dare give fate a winning hand, and test yourself against the hellish consequences of the VHS machine?

Insert Cassette Press Play...DIE!"

The film is scheduled for a DVD release this Summer via Worldwide Multimedia.
