Once called Scream Machine, here's a new feature film anthology put together by Scarlet Fry, aka Walter Ruether now called:

Death By VHS

Here's a description of the film from the movie's facebook.com page:

About

.A battered and mysterious VCR...A bevy of lethal video- tapes... These are the building blocks of horror in "DEATH BY VHS".

Description

A battered and mysterious VCR...A bevy of lethal video- tapes... These are the building blocks of horror in "DEATH BY VHS".

A mind blowing descent into madness and death. Five shocking vignettes, designed to take your sanity and devour your soul!

Mild curiosity leads to severe consequences when a couple rents a supposedly cursed video cassette recorder. An urban legend renowned for leaving a trail of agonizing and torturous death. Unbelieving, they take the plunge... And another legend is horrifyingly born...

Do you dare give fate a winning hand, and test yourself against the hellish consequences of the VHS machine?

Insert Cassette Press Play...DIE!

The film is already available for pre-order on Amazon.com. So even though the film looks like it will be in the so-bad, it's good category, you may want to go ahead and order it.

On a side note, it's amazing how many films have VHS in their title now after the success of VHS.

Unfortunately, I don't have that information right at the tip of my fingers. But I do know there is at least one zombie segment in here, if not more.
