# Undertaker and His Pals

---

*Cannibalism was never so funny!*

---

Funeral homes and greasy spoon diners... what a combo plate! - An undertaker and his two friends, who are restaurant owners, drum up business by going out on the town and killing people. The restaurant owners use parts of the bodies for their menu, and the undertaker gets paid by the families to bury the leftovers. Their racket goes awry when two detectives suspect that something isn't quite kosher with the cooking.
