

# Savage Weekend

*Weekend vacationers have their fun with fishing, boating, nude sunbathing, and relieving their sexual frustrations, until the masked killer appears.*

Nicky (Christopher Allport of WITHOUT A TRACE, SHARK, and NCIS), Shirley (Caitlin O'Heaney), Marie (Marilyn Hamlin) and two others from NYC travel deep into upstate New York for a long weekend vacation. Once at their destination they mix with Otis (William Sanderson of DEADWOOD, NEWHART, and THE X FILES), Mac Macauley (David Gale of THE RE-ANIMATOR, GUYVER, and TALES FROM THE CRYPT), and some locals who offer supplies, lumber, eggs, erotic cow-milking lessons, and they even like to tell strange tales. While the weekend vacationers have their fun with fishing, boating, nude sunbathing, relieving their sexual frustrations, and throwing costume dinner parties, there also marks the appearance of a masked killer who is dead set on ruining this weekend with whatever weapons are handy.
