SUMMARY

This DVD, from director Hisayasu Sato, is an eclectic study of subcultures...fetishism, drug use, prostitution and pornography. Both sensual and unsettling, *The Bedroom* paints a nightmare landscape that is strangely attractive.

Kyoko is a member of a club called *The Bedroom* where all the girls use 'Hallusion,' a highly hallucinatory drug, and then let men do whatever they want to them. One by one, the women in the club are being killed and mutilated. Soon, Kyoko begins to suspect her lover, Kei, of being the murderer. But, the truth proves to be far more disturbing.

This marriage of the porno subculture and avant-garde achieves a breakthrough into the area of Hip Hop culture sight and sound.
