## Rock Power (Unauthorized)

---

*Interviews + 2 never seen before Bon Scott songs.*

---

In the early 70s a groundbreaking group of Australian musicians took the music scene by storm, winning over millions of rockers worldwide. AC/DCs timing was just right. Amidst a music scene which had been dominated by manufactured pop acts the unique energy of AC/DC with its no frills attitude to rock and roll transformed them from humble origins in Australia to an arena-filling phenomenon with worldwide popularity. AC/DC - ROCK POWER is a documentary about Australias Over The Top Rock Band! Plus 2 songs of Bon Scott, recorded 1974, 4 weeks before Bon entered AC/DC !!!
