

# Necrosis

"It's a cold day in hell..."

## DESCRIPTION

Necrosis follows six friends as they arrive at an isolated cabin to enjoy a long weekend in the snow. An epic snowstorm interrupts their vacation, trapping them on the mountain and resurrecting the haunting ghosts of the Cannibalistic Donner Party. But are they true 'entities' or is it simply 'cabin fever' that brings out their fears and darkness, causing friends to turn against each other as reality deteriorates around them.
