10 Years Of Britpop Collector's Box Unauthorized

Ten Years Of Britpop documents the key players on the scene, from the cocky Southern swagger of Blur, to the brutish Northern might of chart rivals Oasis, and on to less known but equally important bands such as Ash, Pulp and Elastica. Ten Years Of Britpop uses exclusive interview recordings and in-depth research on the artists involved to provide a unique retrospective of this most influential musical period. Never before had the world seen such an outpouring of musical talent from the UK - and maybe we never will again - but now fans can relive the highs with this deluxe instant collectible.
