

# Walter Egan - Myth America

On these 14 new, original songs, Egan explores the dream of America in his unique melodic ways.

Established in 1977 with his first album, "Fundamental Roll," followed by '78's "Not Shy" (both LPs produced by Fleetwood Mac's Lindsey Buckingham & featuring Stevie Nicks), which gave us the #8 Billboard hit "Magnet & Steel," Walter Egan has long been an underground icon of California Rock. "Myth America" is an exceptional concept album underscoring the traditional American myth of love and dreams.
