KORN - KORNOGRAPHY: UNAUTHORIZED DVD & BOOK

With the release of their self titled debut album in 1994, Korn became the voice of a disaffected generation. Rewriting the hard rock rule

book, they continue to explore new avenues, expanding the outer limits of sonic introspection. But where did the band come from, what did it take to make them famous and what are the real inspirations behind the music? Kornography takes you on a journey into the unknown, revealing the amazing story behind these unique, visionary individuals.

Kreature Komforts

The Korn story in words and pictures

Kreature Komforts gives the complete and unauthorized story of Korn from their earliest days to their current super-star status. Revealing everything from their musical influences to how fate conspired to bring them together. Uncover the real background to the public controversy, the events behind Jonathan Davis' angst ridden lyrics and the devastating early experiences that have moulded his bleak outlook on life. With a **100 pages of in-depth text, dozens of brilliant, full-colour pictures**, many of which have not been seen before, and the most comprehensive discography ever compiled, this book tells you all you need to know about Korn.
