SUMMARY

THE BIGGEST FEMALE STAR IN THE WORLD!!

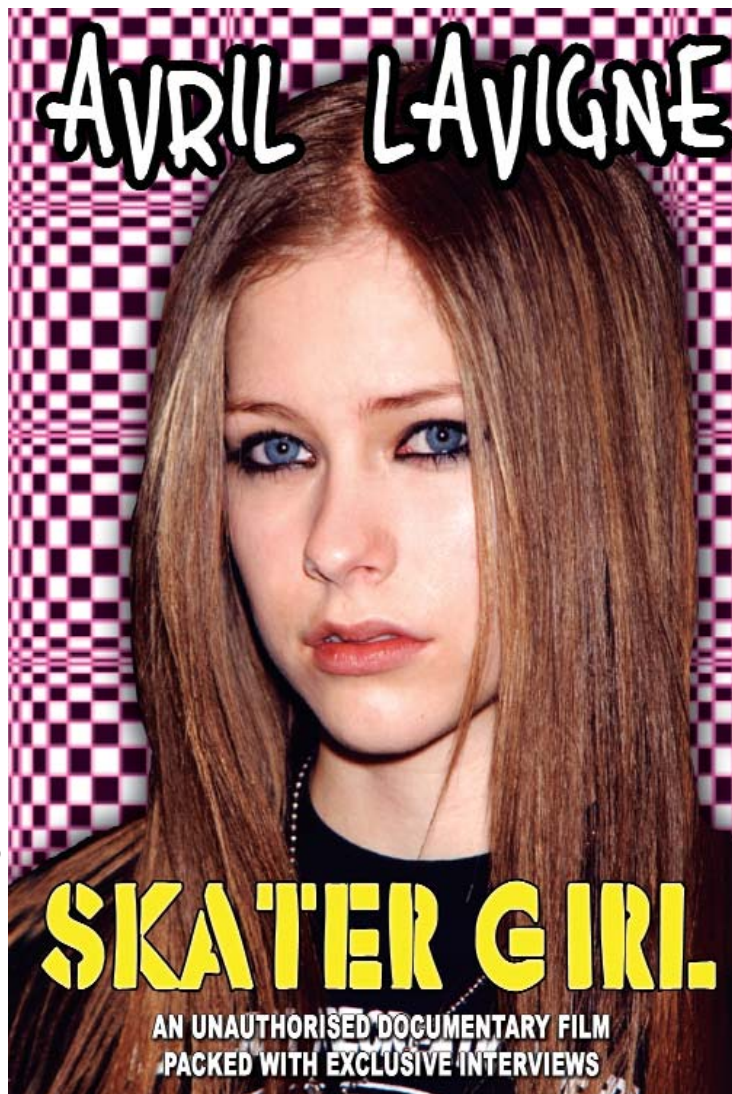

Now, for the first time, 'Avril Lavigne: Skater Girl' looks at what it took for her to reach such stunning heights at such a young age- Featuring numerous exclusive interviews with many key players in Avril's journey to the top as well as with personal friends and colleagues from her hometown.

Includes previously unseen footage of Avril both at home and at work and an exclusive personal interview. Also features many formerly unpublished early photographs of Avril taken throughout her childhood and teen years.

Features interviews with Avril's production team for an insiders look into her studio, recording and songwriting approach and gain some major insights into what Avril is 'really like'.

An overnight sensation, Avril Lavigne is now a true international superstar. With her music topping charts the world over and a new album due before the end of the year, Avril continues on her unique self-dependent musical route solidifying her place in the Rock n' Roll hall of fame.

Avril's debut album has sold in excess of 5 million copies in the US alone, with over 13 million records sold world-wide 'Let's Go' is currently one of the most popular albums in the US.
