POISON ARROW

HIM: Poison Arrow reveals for the first time the full story of Finland's finest, with rare footage, exclusive band interviews and footage, location shoots, previously unpublished photographs and a host of other features. It is a must for any fan's collection.

Finland's most successful Rock band ever, HIM first gained cult status with their cover of Chris Isaak's Wicked Game. This DVD documentary charts their lives and career, showing how they first conquered Finland and went on to build a massive fan base across the rest of the world. With the release of their new album Dark Light this month and the first single Behind The Crimson Door the band look set to increase their massive appeal even further.
