TUPAC

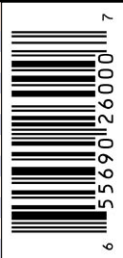

So Many Years, So Many Tears

His mother always thought he'd be the prince that would save the **Black Nation**. He tried, and in the process, became a legend, an icon, and a martyr. **This is the untold story of what happens when revolutionary meets gangsta.** In 25 short years, he rose from the depths of the hood to the depths of our hearts. His talent glistened through almost insurmountable adversity, and though targeted by the mainstream media and the federal government, he became one of the greatest rappers to ever live. He was a gifted poet and a militant revolutionary, a loving son and a volatile gangsta, but most importantly, he was a man that never failed to stand up for what he believed in. **See how this ghetto boy beat the odds and became America's Most Wanted.** From New York to Baltimore to California, from the hood to art school, from jail to the billboard charts, from the hospital to the studio... follow the wild rollercoaster ride that was the life of Tupac Shakur.
