SUMMARY

This 120-minute documentary, finished just before GG's demise, chronicles his life in unflinching fashion, never turning from the on-or-off stage havoc Allin created to challenge a nation of non-believers.

Allin, who had been arrested over 50 times – on charges ranging from disorderly conduct to exposing himself to minors to public defecation – broke parole to appear in this film.

Featured is not only his live act that drew the curious and scared the knowing, but the injuries, police activity and Rock & Roll savagery that will be his legacy.

This special edition DVD features an extra hour of previously unreleased footage from GG's final performance at the Gas Station in NYC. Immediately following the concert is GG's provoking of a mini riot and his quest for drugs. Also, included is information on filmmaker Todd Phillips.

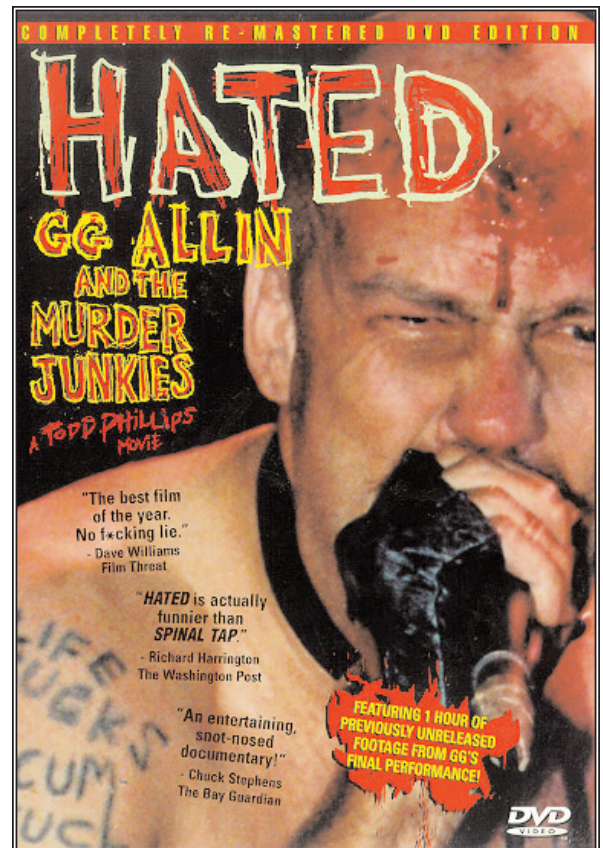

This film captures the last images of GG Allin alive!
