25 years ago as young primates, **DEVO** experienced the dislocation as men with a plan to change the world before the world changed us. Today they have returned and the Japanese were willing subjects, submissive, effusive and generous to a fault. Bare witness to one of the strangest bands in the strangest of lands, **DEVO: LIVE IN THE LAND OF THE RISING SUN - JAPAN 2003**.

"From a stage super-heated by over-the-top, rock 'n roll cliché lighting, **DEVO** faced a sea of Asian Gen X'ers in a 100 degree plus Fahrenheit venue in the bowels of **Tokyo, Japan**. The crowd was swathed in bootlegged energy domes and **DEVO T's**, mouthing the lyrics to songs we wrote when most of them were loading their diapers with UNi-colored poo. Maybe it was a "**Beautiful World**" after all!"  
- Gerry Casale.

**Track list: That's Good, Girl U Want, Whip It, Satisfaction, Uncontrollable Urge, Mongoloid, Blockhead, Jocko Homo, Smart Patrol/Mr. DNA, Gut Feeling/Slap Yer Mammy, Gates Of Steel, Freedom Of Choice, Come Back Jonee**
