## To The Devil His Due

**This powerful performance was recorded at the London Astoria on November 4, 2005.** The show captures the resurrected band storming through all their classics including “The Prince”, “Sucking My Love” and “Lightning To The Nations”. The DVD **includes an exclusive interview with the band** and as a bonus, the making of “All Will be Revealed” filmed by Mike De Jager has been included. Deeply affected by Diamond Head’s idiosyncratic style, metal legends Metallica have covered “Am I Evil?”, “It’s Electric” and “Helpless”, all of which are featured on the DVD. **Both Metallica and Megadeth have famously cited the band as an important early influence.**
