A BREACH OF SILENCE

The Darkest Road

For this, their sophomore album, **A BREACH OF SILENCE** brought back legendary Swedish producers **Fredrik Nordstrom** and **Henrik Udd** (*Bring Me the Horizon*, *Arch Enemy*, *In Flames*). The band is known for their unique mix of modern metalcore and power-metal vocal breakdowns which many of their fans refer to as 'Powercore'. Clocking in at over 56 minutes, **The Darkest Road** delivers fourteen tracks of technical, dynamic "Powercore Metal" that will forever be remembered as the band's defining moment in music history.

"ABOS are proof positive of metalcore done right, these guys ain't fucking around" - **Amps & Green Screens**

"Awesome, perfect, glorious" - **Headbanger Reviews**

"Everyone in the world needs to hear about this band. You give me your favorite heavy band right now and I'll raise you with A Breach of Silence" - **Beyond the Pit**

"As if Parkway Drive and Saxon were laying down together in the studio" - **Pure Grain Audio**

"If you're a fan of Killswitch Engage or Asking Alexandria, you'll love A Breach of Silence" - **Examiner**
