

25 Years At New Morning

25 years of challenges and gambles won have made of the New Morning a cult institution, much like the Blue Note and the Village Vanguard in New York. The club celebrated their birthday in December 2006. In-akustik and MVD Visual commemorate the occasion with this **special DVD-package featuring a ton of gifted performers including the Archie Shepp Band, Art Farmer, Larry Carlton, Steve Lukather Band, Robben Ford, Billy Cobham, Mike Stern, John Hammond, Larry Coryell, and many more.** Thanks to entertaining commentaries and background artist information by legends **Alvin Queen** and **Manu DiBango**, the 2-DVD-Digipack offers **an exciting view at the history of this legendary club.**
