

Robben Ford Trio - The Paris Concert

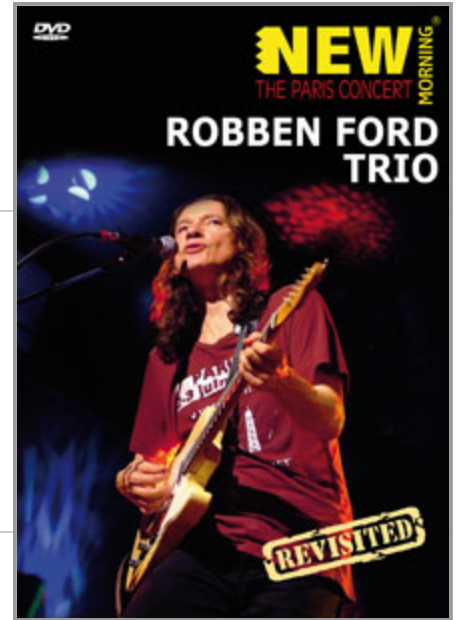

2009 concert from the rock/jazz/fusion/blues icon, filmed in HD.

Description

For Robben Ford's enthusiastic Paris fans, this New Morning concert in July, 2009 captures their icon's genius in a truly unprecedented manner. Backed brilliantly by Athens-born drummer Toss Panos, who brings a Mediterranean flavor to the trio and by bassist Travis Carlton, Robben's unique style (a tasteful blend of strength and finesse) asserts itself impressively above and beyond his rock, jazz, fusion & blues influences. This DVD, recorded in HighDefinition, also features two onus tracks with the legendary Larry Coryell joining the Robben Ford Trio on stage: A truly unique feature!
