

Blues Company

Hot And Ready To Serve

Blues Company is Germany's longest-running and most successful blues band. And with each new recording, with each concert, these pros underscore that their passionate love affair with the blues is burning brightly as ever. On their new album "Hot and Ready to Serve", they once again show off the talents for which they are best known and loved: they serve up powerful, modern, guitar-based blues. Just as the cover suggests, the music is a "gumbo", a dish directly from New Orleans, very nourishing and sharply flavoured, with every possible ingredient that grows and flourishes in the enormous garden of blues.
