In The Midst Of Beauty

Most of the original MSG reform for a new album!

Michael Schenker is truly a legend. From helping form the Scorpions to his stint with UFO, his guitar prowess has been electrifying from the beginning. This brand new recording perfectly captures the MSG aesthetic and mystique, which makes sense as 4/5ths of the original MSG are back in the fold! Singer Gary Barden, drummer Simon Phillips and keyboardist Don Airey join Schenker and bassist Neil Murray for one of their best (and most highly anticipated) recordings and a return to classic MSG form. Pushing the boundaries of hard rock, heavy metal and blues rock to the limits!
