STEVEN HALPERN

CRYSTAL BOWL HEALING 2.0

“Sets a new standard of excellence in the increasingly popular field of crystal bowl recordings.”

By combining two premier sound healing instruments: quartz crystal singing bowls and the Rhodes® electric piano, these transcendent compositions instantly transport the listener into the CBZ (Crystal Bowl Zone) of inner peace, light and love.

Pioneering sound healer, master musician and researcher Steven Halpern orchestrates CrystalTones™

proprietary gem and precious metal-infused bowls. Many of these crystal bowls have never been recorded before, thus providing a unique opportunity to experience the next generation of crystal bowl sound healing.

The subtleties of the Aqua 24-K gold, ruby, Egyptian blue bowl and clear crystal tuning fork are best appreciated while listening with intention and attention.
