SUMMARY

This DVD collection features the visual realization of Techno made so popular in the early 90's!

Computer artists combine pulsing shadows, distressed landscapes and whirlpools of sound and vision with some of today's hottest producers.

This DVD collection features the first 3 volumes of the 3Lux series with a fresh, raw and exuberant visual/audio experience.

Featuring **Dave Angel, Vision of Shiva, Aphex Twin, Biosphere, Mixmaster Morris, Cosmic Baby, House of Usher, The Orb** and many others. This videoscape of Electronic Dance music has swept up fans across the world as its music pulsates to computer imagery and groundbreaking animation!
