Brilliant. Kiko is on fire again! lovin' them all! Wicked stuff Kiko! . #1 in my traxsource top10 also.-) un salads.

-Henri Kohn (Clubstar Session/Ibiza Global Radio)

U kidding me right? "Loverly" is CRACK, at least the beginning (which I actually don't want to change)! I think I'll turn grey n' old and enjoy these late nights when I can just sift through the mediocre and discover tunes that'll keep forever! And well, "Into The Sunrise" will always be one of my absolute favorites -most memorable too... this remix is decent, but the reprise is bliss! Will pass on "The Right Time" but yes, I agree - "Heaven Is Right Here"! Wicked to bloodclat musicianship throughout that man! Man this entire set here is madness, absolute madness... LOVE IT!

-Marlon "Dj Pelau" Regis

Cascades of Colour...still such an amazing classic !!!
