## THE ROAD TO SUCCESS

Nickelback - The Road To Success is the first ever **DVD biography** of this hugely successful band and will delight their millions of dedicated fans. With **over an hour of enthralling documentary and further entertainment from the extensive extras package** this DVD is sure to prove a hit throughout the Christmas period and beyond.

Coming from nowhere, Canadian four-piece Nickelback have evolved into one of the biggest bands in the world today. But, as with many 'overnight success' stories, their seemingly rapid ascendancy has been far from easy.

But with the hardest times now long behind them and a new album All The Right Reasons, single Photograph and world tour on the way, the profile of Nickelback looks set to hit its highest peak so far and put them back in the premier division.
