THE LAST VIDEOTAPE  
YOU WILL EVER WATCH!

The directorial debut of 15-year old horror sensation Johnny Dickie, Slaughter Tales is a loving tribute to the no-budget horror video revolution of the 1980s. A teenager steals a mysterious VHS tape and finds himself tormented by the spirits that are trapped inside the tape and the horrible film within. Ignoring all warnings, he pops the tape in. What follows is a 90-minute fever dream horror anthology, where each story is worse than the last. But is this teen living out the worst story of them all? Slaughter Tales is more than a bad movie, it is a video nightmare you can't escape!
