Believer Sanity Obscure

Believer was formed in early 1986. The band's debut album - "Extraction From Mortality"- was released in 1989 by a popular Christian label, R.E.X. Music. The LP contained nine tracks filled with furious riffs and catchy melodies, sewn together with religiously inspiring lyrics. After the release the band begun touring alongside other Christian and secular (non-Christian) groups, gaining fans all over the world. In 1990 the band released their follow-up, "Sanity Obscure", which shows Believer's evolution towards more technical thrash arrangements. **Digipack reissue in an edition of 2000.**
